OUR MARK.

Will Carry the Territory by 1400 Plurality

PHORNIX.—Returns received from every county in the territory show Mark Smith will carry every county with the exception of three which are closely contested. His pluralities are computed at 1400 and if anything will be increased when complete returns are

Graham county will give the largest plurality for Smith giving him about 500; Maricopa 250; Cochise 175; Pima 200; Pinal 150; Yuma 125. A total

plurality, Smith second; Yavapai will consin. give O'Neill 75 plurality and Mohave the supposed Populist stronghold will give Bucky about 100 plurality over plurality.

THE POLITICAL COMPLEXION

Republican Membership in the House is 207.

VARIOUS STATE RETURNS

NEW YORK,-Associated Press and

Washington dispatches quote Chairman Babcock, who says he has com plete reports from 193 congressional districts that have elected Republicans; 135 districts have elected Democrats or Populists, and 28 districts in which returns are incomplete; these will all be classed as doubtful with the may go Republican, which will make the total membership in the 55th congress 207. It is safe to say that under no circumstances will the member ship fall below 200.

Minnesota has suprised everybody in the size of the Republican plurality. McKinley will have 35,000 more than

and South Dakota will be found in the friends were tried, none of which proved same column, although the vote is

The Republicane claim Wyoming and Washington, but probabilities are against them in both states, Oregon has gone for McKinley an

Celorado has given Bryan heavy plurality: Idaho, Nevade and Montana have all gone for Bryan by heavy majorities, and from returns at hand California has undoubtedly gone for McKinley. Delaware has kept in the Republican column. The vote of Maryland has shown an interesting reversal from that of the last presidential election. Cleveland carried the state by 21,110; this year Mo-Kinley has a plurality of 21,00 in the city of Baltimere alone.

The states of Virginia, South Carolina, Florida, Georgia, Alabama, Louisiana, Arkaneas, Colorado, Nevada Montans and Idaho may safely be placed in the Bryan column.
